

Library Survey 2015 YOU SAID

The core books are not very current

WE DID

Purchased over **1450** new books across both sites in the last 12 months

We'd like more e-Journals

WE DID

Purchased access to an additional **400+** e-Journal titles in the last 12 months

Accessing e-Resources and e-Journals is too complicated

WE DID

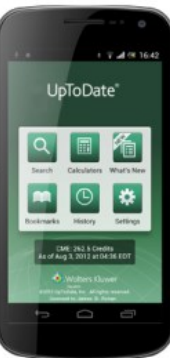

We'll be participating in a **pilot** for single sign-on with a Trust login

Why keep paper journals when they can be accessed electronically?

WE DID

We **streamlined** our print journal collection across both sites and purchased more e-Journals

We introduced the **UpToDate Anywhere** app in May 2015

ClinicalKey
App coming soon!

WE DID

We want to access e-resources on our smartphones

Still to do...
Better chairs in study areas

Created over **50** specialty resource leaflets for depts. across both sites

Created a SaSH Libraries Pinterest account and added over **50** specialty boards

WE DID

I'd like more promotional materials... I don't know what you have for me
